**Old Business:**

Continued discussion regarding options for entering scores for tournaments.

- Real time scoring with Golf Genius would be \$2500/year.
- We could use Golf Genius for Wednesday competitions and also tournament sign-up under our current license.
- The Men’s Club uses an app called Live Tourney for on-course scoring. Players would enter their score as they play. The cost is \$1300, which we could split with the Men’s Club.
- The recommendation is to continue our current practice and revisit at the end of the season.

The meeting was adjourned at 6:55 pm.
